Ms. Nirmala Prabhakaran
President

Isaiah 58:10 " If you pour yourself for the hungry and satisfy the desire of the afflicted, then shall your light rise in obscurity, thy darkness be as noonday"

Mat 25:40 "Truly I say to you, as you did it to one of the least of my brother, you did it to me"
In the Gospel of John, Ch 4, we see how the lord reached out to a Samaritan woman at the well, – and transformed her life. This is an example, of how as followers of Christ- we are supposed to reach out to the weak, afflicted women and the community at large – which should always be our mission at the YWCA.

Just as we read in the book of Esther, how God chose a simple girl for a very specific purpose, at a particular time, we as members of the Governing Body or elsewhere in the YWCA, cannot take the responsible positions given to us lightly and should remind ourselves that only God has chosen and positioned us here - for a purpose. This organization is truly God's vineyard and we are His labourers

As ambassadors of Christ, we should be able to reflect His love and compassion to the needy and afflicted in our community and among our fellow human beings - which is the main moto of the YWCA.

It is only God who sustained this wonderful organization for over one and half centuries and amazingly continues to lead us .

Each day at the YWCA was a learning experience for me. To embark successfully on this one year of our Board, I am grateful to God for giving me this opportunity and also the members for reposing their trust in me and giving me this responsibility of being a steward of this prestigious institution. A platform built by God " for women and by women".
Inspite of the absence of a General Secretary and Administrator for over four months, we were able to achieve substantial growth in revenue generation by Gods' guidance and the sincere efforts of the Board of Management and staff. This enabled us to restore full salaries to the staff and also to release pending arears as well as grant two increments of salaries, - which tremendously boosted the morale of the staff members. My sincere thanks to the BTFH Chairperson and the committee. I also specifically acknowledge the contribution of the FC Chairperson during this period.

# Message From the President

We were subsequently able to appoint a new General Secretary, CAO and Deputy Director, which were crucial for the development and smooth functioning of the organization.

Major renovation and repair work of buildings which were long overdue, were carried out to best standards under stringent monitoring.

We feel proud to be awarded 3rd prize by NDMC for maintenance and cleanliness this year. This year saw many major developments in CDP activities and outreach programs, in alliance with like-minded organizations – thanks to the Chairperson and the Committees. Details of which are available in the Annual Report

With a view to enhance the quality of work and efficiency, internal workshops and staff training programs were organized for various departments. This enhanced their self-esteem and brought optimism and creativity in facing challenges at their work place. Two POSH training programs by the PASI Chairperson and the new GS were also organized.

The spirit of Christmas came alive when the Nativity was enacted by the Korean troupe with 3-D effects, which took the audience back to time of the birth of Jesus. Easter Cantata enacted the passion of the Christ. Also was so real that it stirred our emotions and brought tears to our eyes.

It was our privilege and honor to host the 31st National Convention this year. Several dignitaries and more than 200 delegates from all over the country attended this convention, spread over four days. Our efforts were highly appreciated.

A detailed report of all activities and programs of each department of the YWCA of Delhi for the current year from July 2022 to September 2023 provides a complete overview of our achievements and highlights the enormous efforts and commitments of the staff and the management.

I express my heartfelt gratitude to the members of the Board who stood by me. Every decision was well processed, duly examined and discussed at length, which helped us to deliver quality results and enormous savings of revenue. We also successfully bagged the contract for Jasola Working Women's Hostel

I am grateful to all departmental heads and the staff members. I would also like to convey my gratitude to all Government agencies and well-wishers or their continued support to the cause of the YWCA. I extend my good wishes and support to the new General Secretary Ms. Pragyan Mohanty. May the spirit of God help her to carry out the job entrusted to her successfully. I thank God for His blessing, grace and wisdom to handle the matters of this great organization and may HE continue to lead us to excel and fulfill the mission – "We empower- leaving no one behind"

# Message From the General Secretary

Ms. Pragyan Mohanty
General Secretary

The legacy of YWCA of Delhi continues. Driven by the core values of love, compassion and justice, we are committed to serve every section of society especially women and others who are marginalised and vulnerable.

The past year was full of challenges, as it was emerging from the impacts of Covid 19 which primarily included reduced human and financial resources. However, it is by God's manifold grace and the unfettered dedication of the staff and committee members and the board of management that YWCA of Delhi has been able to withstand the challenges and been able to contribute and make a difference in the lives of others. The report presented here is a glimpse of that story of resilience and commitment.

After a staggering journey of close to two years, the revenue generating centers including the guest house, the working women's hostels and the training institutes were slowly back to walking steady again. There are avenues within to be explored, to align our services and standards to the needs of the clients and become more savvy and responsive to the market demands. This is our current focus for these centers.

We have been persistent in our commitment to stand by women in need of support to be able to exercise their rights. Hundreds of women survivors and victims of various forms of violence were supported to 'break the silence', 'raise their voices' and 'take action' through social and legal mediation through the Mahila Panchayat Project which focuses on access to justice for women and girls. The three shelter homes are a safe place for women facing different forms of life threatening situations that provide immediate social, psychological and medical support. We have had women staying with us who have been survivors of domestic violence, rape, sexual abuse, trafficking and more. The hostels continue to be a safe place for thousands women from across the country who come to the city of Delhi, often for the first time, to work and be economically independent. Our remedial classes for children from marginalised communities, often first generation learners, our skill development courses at the community level for young girls and women go a long way in impacting their lives.

# Message From the General Secretary

Our partnership with the Delhi Commission of Women for implementing two Mahila Panchayat projects, with the Women Empowerment Cell of the Government of Delhi NCT to run two shelter homes named Matritva Chhaya and with the National Commission of Women to run one of the Working Women Hostel, external members of the Internal Committees (under POSH) in 25 government offices nominated by YWCA of Delhi, is a recognition of our work and commitment to the cause of women empowerment.

The 31st National Convention theme of YWCAs for 2022 – 2026 is "WeMpower- Leaving No One Behind". This aligns our work with the 2030 agenda of the Sustainable Development Goals (SDGs). It leads us to be more inclusive, while integrating the quadrennial sub-themes of Strengthening Communities, Building Young People and Nurturing Nature in all our work.

For me, it has been brief journey since 18th April 2023, when I assumed to responsibility of YWCA of Delhi as the General Secretary. It is a new experience and new learning every day. I thank for and look forward to the support of every member of the Board of Management, Committee members and the entire team for every contribution to be made in taking forward the legacy.

The body without the spirit is dead. In the same way, faith without good works is dead.
James 2:26

May God grant us the spirit, grace and wisdom in our collective pursuit as YWCA of Delhi, to reflect our faith in the action and the good deed we do for those most in need.

# Nurturing Nature

The program actively involved community members specially children in plantation drives. A series of activities to promote a green and clean workspace, focusing on the principles of the 4 R's (reduce, reuse, refuse, recycle & upcycle) were conducted.

World Environment Day was observed on 5th June 2023 and a campaign called "Seed to Plate" was organized, encouraging environmental consciousness from seed to table.
Workshop on making reusable cloth bags from old t-shirts was conducted promoting the idea of reusing materials and reducing single-use plastic bags.

The urban farming initiative aimed at promoting reusing plastic containers. 120 community members planted seasonal vegetables in old plastic containers by upcycling and reusing items instead of discarding them.

An art competition themed "Beat Plastic Pollution" allowed participants to creatively portray the harmful effects of plastic on the environment. The artworks served as powerful tools to raise awareness and engage the community in the fight against plastic pollution.

Deepmala's journey is a testament of transformative power of education and empowerment. She joined the Education Center in Dharampura village in 2002. Despite being pushed into early marriage and leaving school in 10th grade, she always dreamed of being educated and achieving something meaningful in life.

She despised begging which her husband's family resorted to as a means for livelihood. Deepmala courageously implored them to seek alternative means of income and continue her education. Unfortunately, her pleas went unanswered. Domestic violence became a harsh daily reality of her married life.

In 2021, when her husband forced her son into begging, Deepmala made a courageous decision to return to Delhi, sought support from her family, and returned to the YWCA of Delhi community resource center, where she found solace and a lifeline. Through counselling and encouragement, she reignited her dream to continue her education and is now steadfastly pursuing her 12th grade through the National Institute for Open Schooling (NIOS).

Deepmala's journey doesn't stop with her own transformation. Today she is working as a paid volunteer at the Najafgarh community center, teaching children from her own community and from Singhi, Sapera, Nat, and Bawariya. Her dream is to provide a dignified life and education not only for her children but also for those in her community.

Every morning she gathers all children and walks them to the community center, holding their hands and ensuring that these children will not go into begging and hawking on the streets.

Deepmala aspires to study social work and computers, with the ultimate goal of becoming a guide and source of inspiration for other children and women in her community. Her story is one of resilience, determination, and boundless hope, an inspiration for us all.

"What I am today and what I am doing today.....I am content. This wouldn't have been possible without the YWCA of Delhi. The community resource center not only gave me a dream but also gave me wings but the confidence to fly. It has transformed not only me but countless others like me. Now, I'm proud to be a part of this incredible journey. I love the YWCA of Delhi with all my heart because now I have hope, peace, and strength to nurture myself, my kids, and my community children. There is still lot more to do and discover in life and I am ready for it " - Deepmala

# Shelter Homes

Resident's Picnic

YWCA of Delhi is dedicated and committed to ensuring safety and empowerment of women. The shelter homes run by the organization manifest the same for survivors and victims of gender based violence, women under distress for various reasons, specially from vulnerable, marginalized and under-privileged communities. YWCA of Delhi is operating the following two types of shelter homes:

The **Raj Kumari Amrit Kaur Short Stay Home** at Ashoka Road, YWCA of Delhi Campus, which provides a safe place for women in any kind of vulnerable situation

The **Maatritav Chhaya (MC) Shelter Home** for destitute pregnant and lactating women in collaboration with the Department of Women and Child Development, Govt. of NCT Delhi located at Jahangirpuri and Sarai Rohilla.

The services provided to them includes safe and comfortable stay, wholesome nutritious food, clothes and everyday needs, counseling support, health and medical services, vocational training and rehabilitation.

Residents of MC Shelter Homes in addition are also provided with pre-natal, natal and postnatal services through gynecologist, pediatrician, medical doctor, para-medical staff nurses.

The harmonious peaceful environment helps in rejuvenating and reinvigorating their lives and empowers the women to become independent to face their future successfully.

Resident's Practicing Yoga

During the National Convention of YWCA on 19th November 2022, the Shelter Homes participated enthusiastically by putting up stalls which showcased the vocational skills acquired during their stays. Products made out of waste material were the main attractions of the stall.

A 21-year-old hair stylist from Uganda arrived in India in search of better employment as deluded by some fraudulent woman, escaping a lower middle-class family. She was forced into prostitution in Punjab and was rescued by an organization working to rescue victims of human trafficking. Initially isolated due to her traumatic history and language barrier, she eventually adapted to the shelter home. Regular counseling and interactive group sessions helped her cope with her situation. Medical assistance and treatment were provided for her irregular menstrual cycle and other medical issues. She actively participated in activities like Independence Day celebrations and participated in vocational activities. She stayed at the shelter home for two months and was handed over to officials for her successful repatriation to Uganda.

A 31-year-old woman from Maharashtra, who had experienced domestic violence and mental harassment, came to Shelter Home. She had previously stayed there in March and returned to her family. During counseling, it was discovered that her husband had a psychiatric illness, which she had not been informed about before marriage. This led to physical and emotional suffering, trust issues, and restricted her from acquiring adequate education. She decided to leave her marital home and her daughter for safety and security reasons and moved to Delhi for shelter. In-house medical assistance was provided, and a lively environment was provided for her child's growth. Later, she was handed over to the Maharashtra Police for a court hearing. She left the shelter home on August 17, 2023, with her daughter. She later obtained the custody of her child as discovered in the shelter home's follow-up structure.

A 26-year-old girl was admitted to Shelter Home in Delhi, six months pregnant. She was a survivor of sexual assault and had lost both parents. She arrived in Delhi in 2011 and worked as a domestic helper. During her stay, she received regular counseling to cope with her past trauma and adapt to the shelter home's environment. During an ANC ((anti-natal checkups) checkup, she discovered she had HIV infection, which she was unaware of. She received psychological counseling and emotional support and received medical intervention and nutritious food for her and her newborn. She was encouraged to engage in vocational activities to avoid distorted thoughts of her past trauma. She delivered a baby boy, and both the mother and child were healthy. She was transferred to another organization after five months and discharged with her baby boy. She received INR 7500 under the financial assistance scheme for HIV patients.

Training on POSH and IC Process

On 11th March, 2023, an orientation on Prevention of Sexual Harassment of Women at the Workplace (POSH) was held in Delhi. This aimed training members who are nominated as external member in the Internal Committee of other organizations. YWCA of Delhi receives requests from various government organizations for a member to be part of their IC. The training was conducted by Ms. Anuvinda Varkey, Chairperson of PASI. She gave an historical overview of the Act covering the story of Bhanvari Devi, the Vishaka Judgement leading to Vishakha Guideline, prior to the enactment of POSH Act. The training covered topics such as Complaint Mechanism, Conciliation, Redressal, Process/Enquiry, False and Malicious Complaints, Punishment and Compensation, Confidentiality, Punishment for Breach, Duties of Employer, Consequences of non-compliance, suggested processes for the Internal Committee, and Important Points for the IC.

# Public Affairs & Social Issues (PASI)

The MAP Committee and PASI Committee celebrated International Women's Day with a potluck lunch. The PASI committee plans to continue working with other committees to empower women and leave no one behind.

## Networking and Collaborations

### Womens' Safety

The YWCA of Delhi along with the Dwarka Women's Forum and Anhad held a join awareness program on the safety of women and girls in Dwarka. The Meeting was held at the Vocational Training Institute. Members of the various organizations and members of the community attended the meeting. The problem of safety of women in Dwarka in particular was presented to the participants in the meeting. Further, the policy engagement and practical measures to be taken up and addressed.

### Uniform Civil Code

The Law Commission of India in July this year requested the heads of recognised religious institutions and the general public to send in their opinions of the Uniform Civil Code. The YWCA through its General Secretary attended a joint meeting of several women's organisations to decide on the strategy going forward. It was felt that in principle we would oppose the concept however would like to see a document or proposal for such a code. In the absence of such a document we would not be able to make a proper assessment of what the code would look like. Members were encouraged to respond to the document via the link sent to them.

The YWCA of Delhi through its Public Affairs and Social Issues Committee is committed to the overarching quadrennium theme of WeEmpower- Leaving no one behind. The YWCA of Delhi will continue to be committed to the issue of 33% reservation of women in Parliament.

# Religious Education Committee (REC)

On 17th August, 2022, a "Thanksgiving Service" was organized at YWCA of Delhi to express gratitude to God and seek strength for the newly elected President and Board of Management, Members of the Association and staff to overcome the challenges of the Covid pandemic. The event had dignitaries from different denominations, including Rt. Rev. Deepak V. Tauro, Rev. Jeremy Dawson, Rev. Sunil Ghazan, and Rev. Dheera Bhola, attending. Each gate of YWCA of Delhi was blessed with special prayer and a sapling planted. The congregation moved from one gate to another, singing hymns, stopping at each gate for Psalm reading and prayer.

The REC Committee celebrated International Day of Peace on September 21, 2022. The theme was "End Racism: Build Peace." Established in 1981, the day was later designated as a period of non-violence and cease fire in 2001. The worship service began with hymns and Bible readings, with the General Secretary, Rev. Moumita Biswas, addressing concerns over ethnic conflicts and racism in India. She highlighted the Devdasi practice of dedicating young girls to temples as offerings to appease gods. The speaker also introduced REC member, Minakshi Singh, who works on issues related to conflict and peace building. She highlighted the conflicts between Nihangi and Christian communities in Punjab and the importance of peace building.

The REC Committee revived the 2nd Saturday Prayer Service for staff in November 2022. This is a special monthly prayer service that is dedicated for the staff of Y-Delhi and held on every 2nd Saturday at the Chapel. A member from the REC Committee or the Y-Delhi membership usually is invited to lead the prayer. It is a time of fellowship for the members and staff.

The World YWCA and World YMCA Week of Prayer was observed from November 13th - 19th, 2022, with the theme "Ignite: Praying the Impact." The inauguration combined worship service was held at the Free Church in New Delhi, with Dr. Shakuntala David, President of National YWCA and National Council of YMCAs, reading the World YWCA and World YMCA Presidents' message.

Ms. Nirmala Prabhakaran, President of YWCA of Delhi, conducted a prayer service on November 14th, 2022, at Constantia Hall of YWCA of Delhi. The speaker Rev. Mohit Hitter emphasized the importance of working towards wholesomeness and focusing on two commandments: love one God with mind, body, soul, and strength, and love our neighbor as we love ourselves.

# Membership & Program (MAP)

## Strengthening Community

The MAP Committee organizes an Orientation Program in October to inform members about the functioning of the YWCA of Delhi. The event for this year took place on October 21, 2022, at Constantia Hall. Speaker Ms. Rekha Kapila provided an overview of the YWCA, highlighting its unique nature and its revenue generating activities. Departmental presentations were made by HODs from different departments. The program was attended by 26 members and 15 staff.

International Volunteer Day is observed on 5th December every year. This year's theme was "Solidarity Through Volunteering". On this day, the MAP Committee took the opportunity to celebrate and thank its members who dedicate their precious time and efforts to voluntary service by sending them a "Thank You" e-card.

YWCA of Delhi's Christmas Celebration was held on December 16th, 2022. This year the MAP collaborated with The International Youth Fellowship for the event. They presented a Christmas Cantata, a musical event that instilled the true meaning of Christmas as the birth of hope, love, and God's forgiveness. The audience was spellbound by the performance, and the Committee felicitated Director Paul Song with a pot-plant.

## Building Youth

The National YWCA celebrated its 127th anniversary on February 1, 2023, with a day of activities organized by the MAP Committee and Youth Committee. The Quadrennium themes for 2022 - 2026 were discussed, including WeMpower, Strengthening Communities, Nurturing Nature, and Building Youth.

The program also celebrated the Office Bearers, including President Ms. Kunjamma Mathew, Vice President Ms. Susan R. Chacko, and Outgoing Office Bearers and General Secretary. Dr. Shakuntala David expressed concerns about the relevance of YWCA's programs and the need for focus on projects and staff empowerment.

National Staff Felicitation Event

The YWCA traces its origins to the initiative and leadership of two women in England in 1855. Two remarkable women; Lady Mary Kinnaird, who founded a hostel for nurses, and Emma Robarts, who organized prayer groups for young women, established organizations to provide support for women amid the industrial revolution. In 1989, April 24 was established as the date for the annual commemoration of World YWCA Day.

The MAP Committee organized a fun-filled program for the members to celebrate of World YWCA Day on 24th April, 2023. It was an opportunity for the members to come together to celebrate the space and solidarity that women enjoy because of the YWCA movement world wide.

The key highlights of the day was coming together in prayer and fellowship, followed by playing games, singing and dancing to melodious songs. All the members joined with enthusiasm and new members coming for the first time were welcomed with warmth to the YWCA family.

**World YWCA Day Celebration**

The ECHO meeting of the YWCA of Delhi took place on 10th June, 2023. The meeting aimed to share the contents and key takeaways from the Regional Conference held in Shimla on 13th and 14th May, 2023.

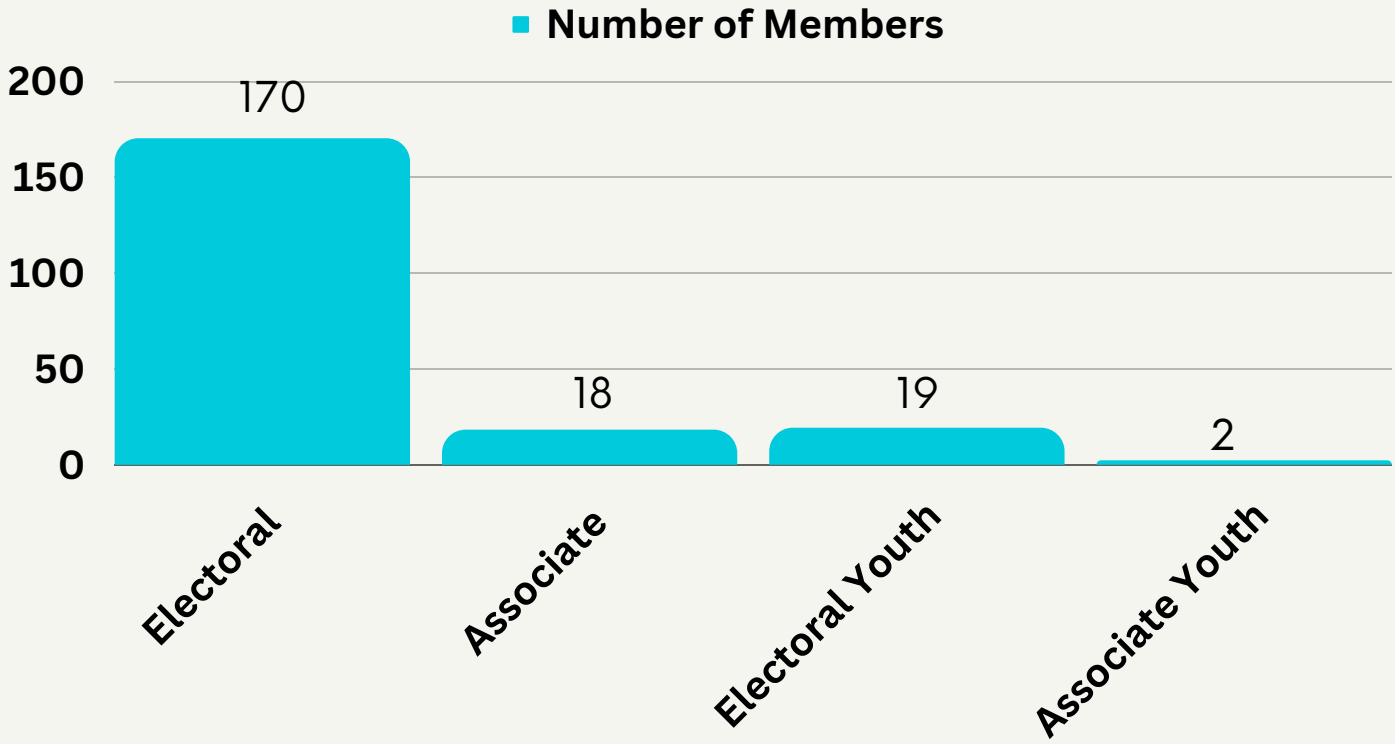

Vision of YWCA, National Action Plan 2022-2026, with a quadrennium theme: WeMpower: Leaving no one behind and sub-themes: Strengthening Communities, Building Youth, and Nurturing Nature, Engaging with Youth, Importance of Membership are some of the topics that were shared and discussed.

The YWCA of India is in the process of adapting an uniform Constitution for all the Local Associations of YWCAs in India. In this regard the proposed amendments were shared with the members as a preparation for the upcoming special GB in which the decision regarding the Constitution would be taken

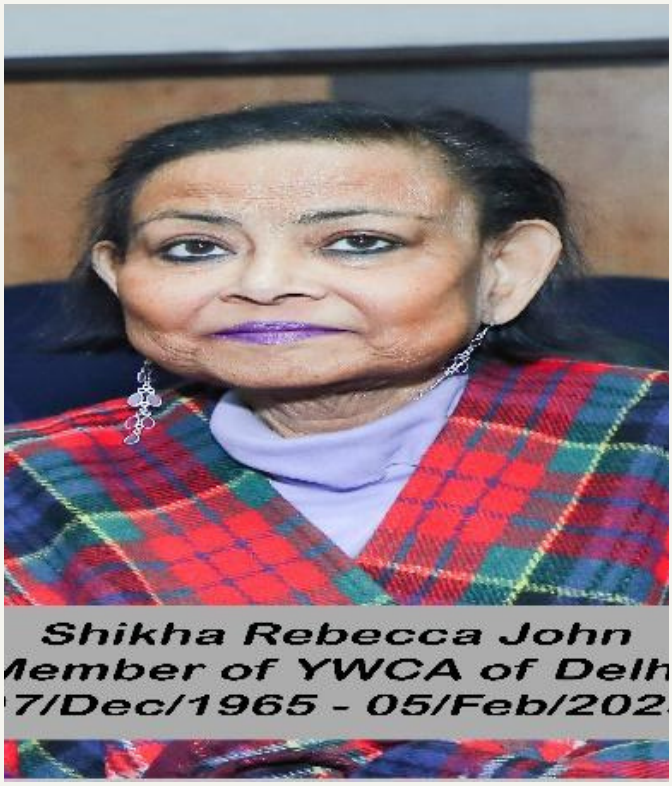

New members, who had joined the association recently and had come for the first time were welcomed. The event was also marked by some fun activities and games to instill stronger bond among the members and giving an opportunity for members to get to know each other better.

# Working Women's Hostel

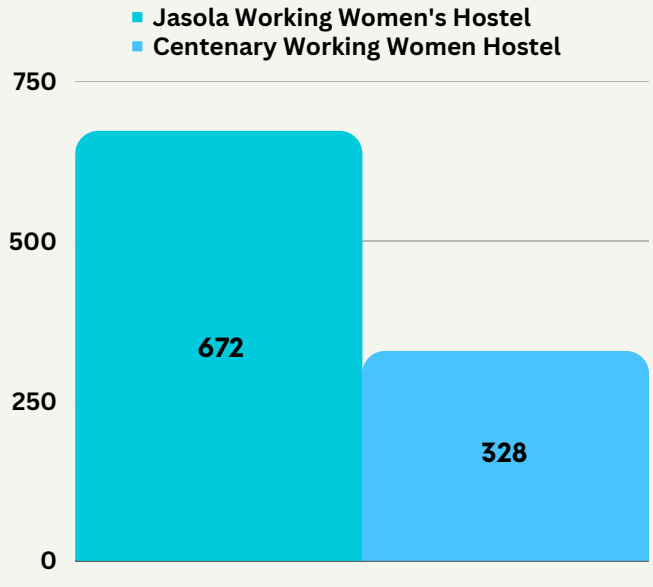

The YWCA of Delhi, over the years, has emerged as a platform for the present generation of women to assume new responsibilities in contributing towards the growth of the nation and the society in large. Keeping the vision and mission in mind, YWCA of Delhi established hostels in different parts of Delhi that have been home for several young women from all walks of life and different parts of the country. The hostels operated by YWCA of Delhi are Centenary Working Women Hostel at Ashoka Road and Jasola Working Women Hostel at Jasola Vihar . Tender for running Jasola WWH by National Commission for Women Awarded to YWCA of Delhi for three years, July 2023 to June 2026.

Feedback from residents, parents, guardians and the visiting dignitaries plays a major role in upgrading the hostel facilities on a regular basis. An active Resident committee Joins hands with the hostel staff to make hostel life more comfortable and enjoyable for the residents by its constant vigil and consequent suggestions.

Awareness on Health Issues with Staff

After speaking with the grassroots workers, it was determined that health issues were a big problem for them. The high cost of medical care frequently makes problems worse. These ladies are thus silent victims. In light of this, the Hostels made the decision to address a variety of women's health issues through seminars where the staff could interact with the guest doctors. On June 16, 2023, all members of the housekeeping and maintenance staff were invited to a medical presentation on women's hygiene and the reproductive system Ms. Anupama Nursing Officer RML Hospital led the session. The hour-long session was quite interactive. Every facet of female hygiene, including its causes both prevention and treatment were covered.

# Building Youth

Christmas 2022 was celebrated with the residents. This event is held to familiarize the locals with the history of the festivities and to provide young women with an opportunity to join together and actively participate, leaving any conflicts and resentments between them behind. On December 9 and 10, CHWW and JWWH celebrated Christmas with carols and a cultural event. The residents made the evening colorful and enjoyable by showcasing their skills in dancing, singing, and skits. A few Board members and members of the hostel committee attended the event. A special dinner was served after the cultural performance.

# Nurturing Nature

The goal of World Environment Day, which was observed globally on June 5, 2023, was to raise awareness of environmental problems and strategies for preserving the environment. In order to voice their concern for environmental issues, the JWWH residents came together to express their concern about the existing environmental challenges, which they identified as being: pollution, a reduction in the green belt owing to excessive building, water waste, and river contamination. They created stunning posters addressing the current environmental challenges with the aforementioned in mind. As can be observed from the visual message, they have emphasized the need to protect nature by growing more indoor and outdoor plants in order to reduce air pollution.

World Environment Day Celebration

I have been a resident of CHWW since the past one and half years. It has been a really good stay in the hostel. The environment is very safe and secure. Having laundry, mess and regular cleaning is really helpful for us in our hectic schedule. The warden, security bhaiyas, mess Bhaiyas and Didis are very kind to help us out in any needs. I hope that this continues and whenever we have any concerns, you will be there for us. - **Alphons Rose Jery**

I am Shoveine Kyapaomai resident of YWCA of Delhi Working Women hostel Jasola Vihar. I would like to take this opportunity to appreciate and share my experience of my stay here. To begin with, this hostel is a home away from home for me. The ambience of the hostel is very good. I have never seen a spacious & secure hostel as this in the city. The warden is very co-operative and responsible. The mess facility is very good. Housekeeping facility is also available. The hostel also observed almost every festival like Easter day, Diwali, Independence day, Christmas etc. where women from any religion or culture get to celebrate and experience the festival which one have never celebrated. I'm very fortunate to be a resident of this hostel. Looking forward to more of my stay here. - **Shoveine Kyapaomai**

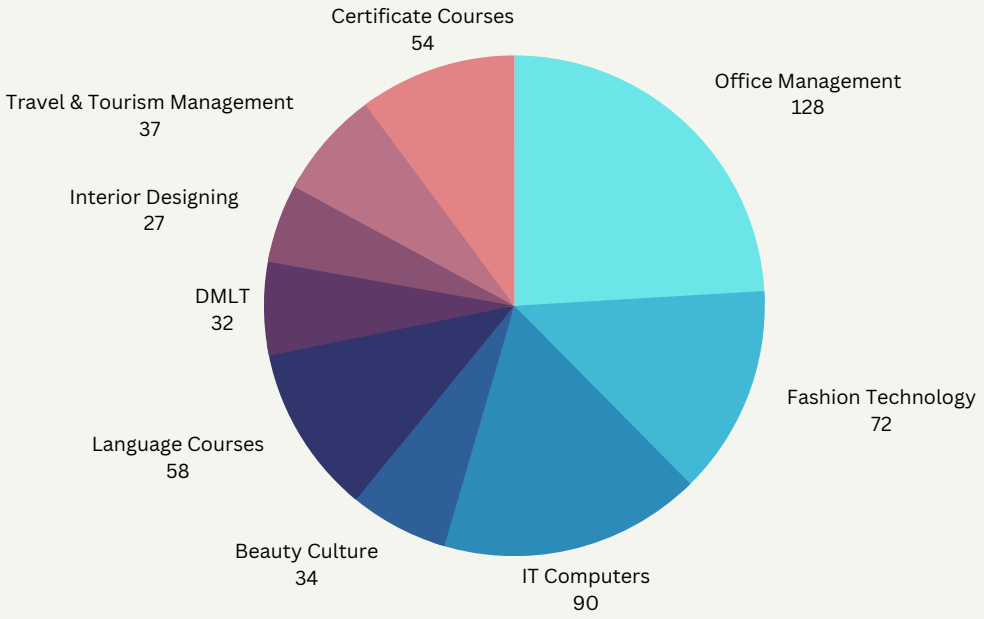

I am a resident of YWCA of Delhi Jasola Working Women Hostel for the past four years. The facilities and amenities provided by the hostel are very beneficial to the hostellers. The environment of the hostel is clean and cozy, it gives the vibe of 'Home away from home'. As a northeastern, I would say that the rent for the North-easterns is considerably cheaper and affordable than most hostels or PGs available in Delhi. The main advantages of the hostel would be the availability of 24/7 Security Guards, Wardens, Staffs and also Housekeepers which makes the hostel a safe and secured place for women. Other advantages of the hostel is that it has a big campus where girls can take a walk, meditate, run etc. Hostel also provides mess facilities. We also celebrate certain festivals like Christmas, Diwali and Holi which brings the feeling of joy and laughter. - **Essie Kip Gen**

I am Nazia Tyagi from Delhi and I am staying in YWCA of Delhi since 1 year, the environment of this place is very good for students. YWCA of Delhi working woman hostel is one of the leading businesses in the hostels in Delhi. Also known hostel for women, hostel for girl students and much more. Many people relocated to another city to pursue higher education or find better employment this is right place for them. The location of the hostel is really good. Everything is close (transport, view points, shops, cafes). The windows of our room overlooked the quiet side of the street, so we did not hear any noise. The quality of the food is very good. And the staffs are cooperative. Nice clean rooms, super friendly staff. The metro is near to the hostel. I have been staying here for 1years now. And enjoy the facilities available in the hostel. Everything is very good here but there I want small Cafe here. - **Nazia Tyagi**

# Strengthening Community

With the vision of building the values and responsibilities of the youth, the Educational Institutes of YWCA of Delhi conducted different activities at different intervals. The programs and activities provided more opportunities for the youth of the communities to strengthen and enhance themselves.

A career counseling session was organized on June 16, 2023 at the WTI campus for 15 students in the age group of 16 to 20 years of the Assunta Tribal Welfare Society (ATWS) with a vision of giving them insight about the changing trend of the education system and importance of vocational trainings in a competitive environment. The Session was facilitated by Ms. Lovnita Dogra, Admission Counselor and Placement Coordinator.

Free career counseling sessions for 50 students were conducted on July 8, 2022 at VTI Dwarka and on September 2, 2022 at SKV Rohini to help them to identify their skills and aptitude to select the right profession.

# Building Youth

**Independence Day Celebration**

A wise man who goes by the name Nelson Mandela once quoted "Youths of Today are the Leaders of tomorrow." The youths are the future and the generation that will move forward. Youth is the most influential generation of this century. Likewise, the Education Institutes of YWCA of Delhi focuses on youth empowerment and education by offering various Diploma and Certificate courses along with other programs and activities, to bring in the involvement of the youth.

India celebrated its 75th year of Independence on August 15, 2022. Commemorating the Independence Day celebration, a poster making competition was conducted for all the running batches of WTI and VTI of the Education Institutes on Aug 12, 2022. The students enjoyed and crafted beautiful designs depicting their views and emotions for the country. The patriotic songs that were played at the campus were filling to the commemoration. The program concluded with the recitation of National Anthem by all the students, staff members and partners.

To unveil the spirit of joy and togetherness and to make the occasion of Diwali vibrant and colorful amidst students, the Education Institutes of the YWCA of Delhi organized a rangoli competition. Students between 3 to 4 in 48 groups actively participated in the competition with energy, spirit and involvement.

# Building Youth

Violence against women remains devastatingly pervasive and starts alarmingly young, shows new data from WHO and partners. Across their lifetime, 1 in 3 women, around 736 million, are subjected to physical or sexual violence by an intimate partner or sexual violence from a non-partner – a number that has remained largely unchanged over the past decade. To curtail and to save themselves from physical and sexual violence, a five-day self-defense workshop was organized for 100 students at WTI by the Delhi Police from December 12 to 16, 2022. Through this training, the students were taught to block the attacks and to prevent themselves by using various techniques.

A yoga session was organized in both the education institutes of YWCA of Delhi on International Yoga Day to raise awareness about yoga and healthy living among the youth. The session comprised of blissful performances by the students showcasing the importance of yoga in our daily lives. Post the performances students were encouraged to practice yoga which was instructed by certified yoga practitioners.

An awareness session about women's health issues such as PCOD and PCOS was conducted which was attended by students and faculty members of both the institutes.

I am Kritika and I am very glad to share my experience with YWCA of Delhi. I have completed my Diploma in Graphic Designing from YWCA of Delhi. This Course not only opened up avenues for me but also helped me develop my sense of creativity. Today, I am the head creative designer at a wedding planning company (BMP Weddings). Faculties taught me how to stay motivated & use better understanding of design to create something unique and different. They also showed how to build and keep my creative skills growing & how to visualize a design. They didn't limit teaching to design, they taught me to be self critical and see the flaws in my design and improve my designs. I'm grateful for all the support they offered while I was a student there

YWCA of Delhi has provided me with more than I expected. Apart from its great infrastructure, the regular seminars, webinars and workshops provided me the best knowledge. YWCA of Delhi has dedicated faculty members and provide quality education and knowledge to create a positive learning environment. Overall, the faculty's dedication has significantly contributed in my college journey. I had a transformative impact on my personality. After Completing my training at YWCA of Delhi in Beauty Culture, I embarked on a journey to fulfill my dreams. Thanks to the YWCA of Delhi and the faculty who armed me with knowledge and determination. Now I proudly announce myself as an entrepreneur as I have opened my own salon.

For the first time, I was moving outside of my comfort zone when I decided to join an institution after finishing my 12 standard, but the YWCA of Delhi made the experience worthwhile. I've seen that the faculty is really friendly and willing to assist in every way since day one. I saw this as a terrific opportunity to learn and develop under really supportive guidance. Sincerely, I owe the YWCA of Delhi thanks for all the professional development and education I received there thanks to a well-formed teaching pedagogy. My parents were really anxious about my safety when they sent me out for higher education, but they felt at ease because of the organization's strict policies that ensure my protection. I enjoyed it and took part in practically all of the activities. The Diwali Mela Celebration, which was decked out in lights and included great events, was the high point of my time spent in YWCA of Delhi. Not only with the course but also I got assistance in my placement and as soon as I was done with my final exams, I had the appointment letter in my hand for which I don't have enough words of gratitude to share for YWCA of Delhi. I've also been to alumni meet-ups and seminars, and it was enlightening to learn about their achievements and outlook on life. My experience with YWCA of Delhi if something I will cherish throughout my life.

**1. Children's day celebration**
Childhood is a blessing and the most fun filled phase of life. To mark such an occasion children's day was celebrated on 14-11-2022 in YWCA OF DELHI RKAK day-care premises. To make this day a memorable and a fun filled one, children were taken out in the garden area for lemon race and other outdoor games, children enjoying dancing and other indoor games as well. We have served a party snacks too in our day-care.

**2. Christmas celebration**
Christmas, festival that inspires the spirit of sharing and caring was celebrated on December 22, 2022, in the RKAK Day-care of YWCA of Delhi where the day-care was beautifully decorated and children and staff seen on red and white attire. Children were taken out in the lawn to see the manger.
The harmonious story of the birth of Jesus was told to the children. Children danced to the melodious tunes of 'Jingle Bells' and 'We wish you a Merry Christmas.

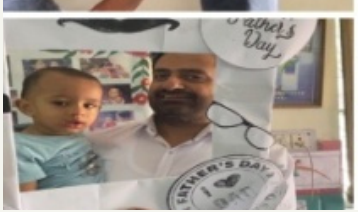

**3. Mother's Day Celebration:**
Mother's day was celebrated on May 12, 2023 where children were told about the importance of mother's day and a board portraying the mother's love for children was displayed. Children made beautiful cards to be presented to the mothers that gave a sense of heartfelt happiness to the parents. Emotional expressions shared by the parents mentioned in the WhatsApp messages below:

**4. Father's day celebration:**
The tiny tots of the day care celebrated the selfless love of their fathers on June 16, 2023. Rejoicing this priceless bond and love of the father, the Father's Day activities were conducted where children made beautiful greeting card for their fathers to express their love for them. A selfie booth was made in which children and fathers clicked beautiful pictures together. Videos with children were made to wish and thank the fathers for their love, care and affection to their children.

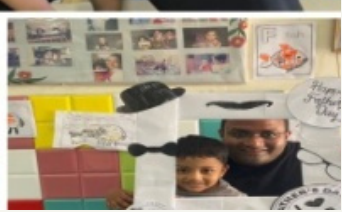

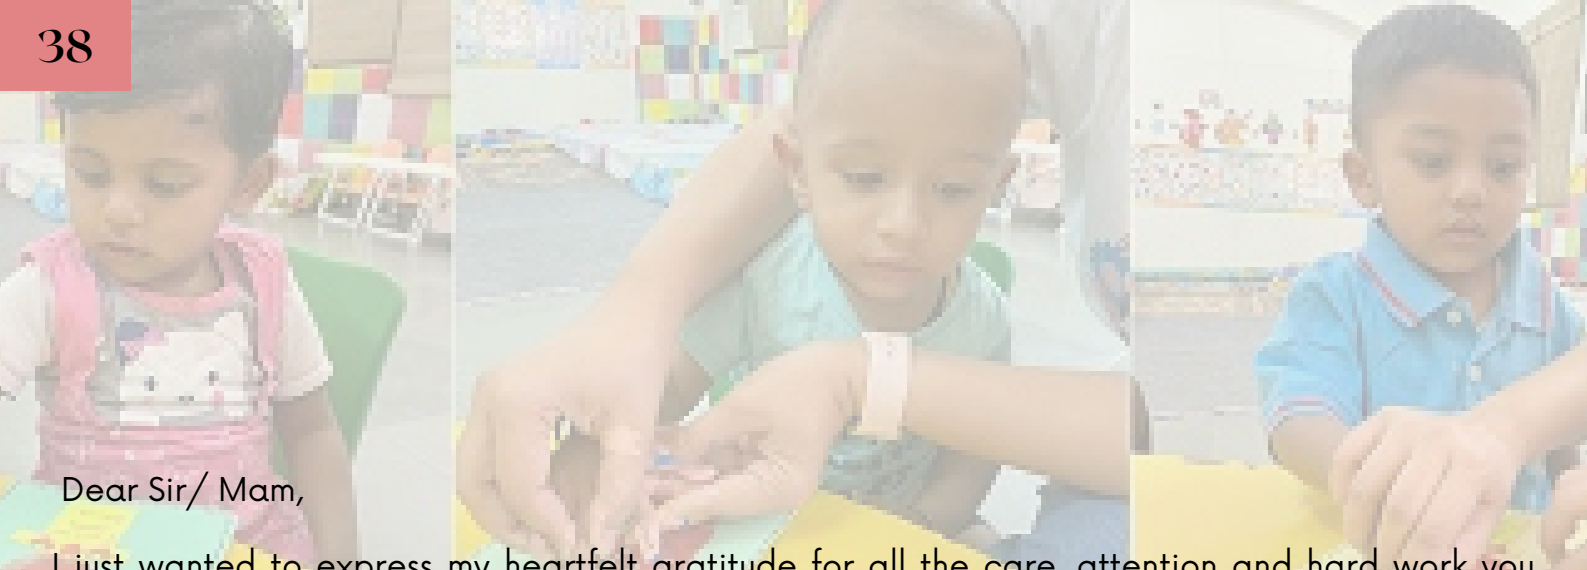

Dear Sir/ Mam,

I just wanted to express my heartfelt gratitude for all the care, attention and hard work you have put in caring for my child, Ayaan Rooh over the last 9- 10 months. I still remember the days when I was continuously hunting for a creche which was near to our home and office. Even though we went through so many of them, the only creche which was up to our expectations was YWCA, daycare.I still can feel the relief I got when I was sure to send my son, Ayaan at your day care. Even though I was ok with the creche, my second thought which was troubling me, was how Ayaan would adjust here because of his language barrier. He was only 2.5 years old and was only familiar with his mother tongue ( Malayalam). So I went along with him for 1 week to your creche and by God's grace, and with the help of his teacher Deepa mam and other Ayahs , he got so comfortable there, that after two weeks I saw my son happily get ready to go to creche and with a sweet smile he would say bye to me while dropping him there. I can't express how relieved I was.

Even while working, my mind was always at ease because I knew my son was in a safe place, learning and having fun with his friends.The small videos of Ayaan eating,playing, doing activities etc which Deepa mam shared with me always made me so happy and relieved.

Other than all the necessary facilities available there, the most important and useful things which I actually noticed in your daycare is that the teacher was so close to children that they treated her as a person just like their mother. The teacher played a main role in their life. The way she taught them , the way she made them do activities everyday, taking them to the park for playtime, telling them stories , teaching them according to children's age and most importantly the way she calmly and patiently controlled and connected with them. Thank you Deepa mam for being there for Ayaan and for taking care of him as if it was his second home. Finally I want to thank Didis also who were equally taking efforts and patiently took care of Ayaan and others while they were playing,eating,sleeping etc and always maintained a clean environment for them.
Thank you to the entire YWCA Daycare department for providing a friendly atmosphere for Ayaan and others, where they can learn and grow in a homely way. All your teachers and workers are reliable, respectful, caring, and fun-loving. You're truly the best!

Wishing you all the success ahead and just like before in future also we would always recommend your institution to others.

With warm regards,
**Kajol Suresh**

What a lovely place! I stayed for a day & I don't feel like leaving at all. The staff is extremely polite, friendly & super helpful. The place has this homely vibe, you wouldn't believe it is in the middle of Delhi. Even the food is great! As a woman, I felt completely safe staying here. The next time I'm in the city, this is where I'll stay!! No question about it!

**Gayatri Shejwal**

It's been a real lovely and pleasant stay. Yes, we are here on a convention visit but the staff at the reception and mess too have been so obliging and ever ready to help us. I think they made life really simple for us as to be fare we were afraid to move around freely in Delhi. The pick n drop too were prompt and special mention to Mr. Satish who was our go to man and who obliged us in easy which way he could. Thanks to all and a big Bless.

**Quita Parulekar**

So, it was my very 1st stay with BTFH for the 31st National convention of YWCA of India, I would with pleasure convey my heartfelt gratitude to the team of BTFH, Abhishek for pleasure welcome, comfortable stay and proactive approach to every particular need. Mr. Satish for such a wonderful management. I consider him as a 'yes' man who never say no to anything. Food, stay, service, conduct all thumbs up to the team!

All the best for future endeavors I would love to come back!

# Personnel Committee Report

**"I can do all this through him who gives me strength." Philippians 4:13**

The Personnel Committee as per the Delhi YWCA constitution, is the expansion of Management which shoulders the total responsibility of human resources of the organization. The Personnel Committee serves as the integral standing committee of the YWCA of Delhi and assists the Board of Management on matters relating to personnel policies and practices, and employee relations, staffing and organizational structure. The Personnel Committee as a management process includes planning, organizing, coordinating, controlling and evaluation of the personnel. This was a year getting into the steadfast revival of the Delhi YWCA office after the Pandemic and have given its best to acquire the best professional leadership in the key positions and staff according to the needs and financial situation of the Organization.

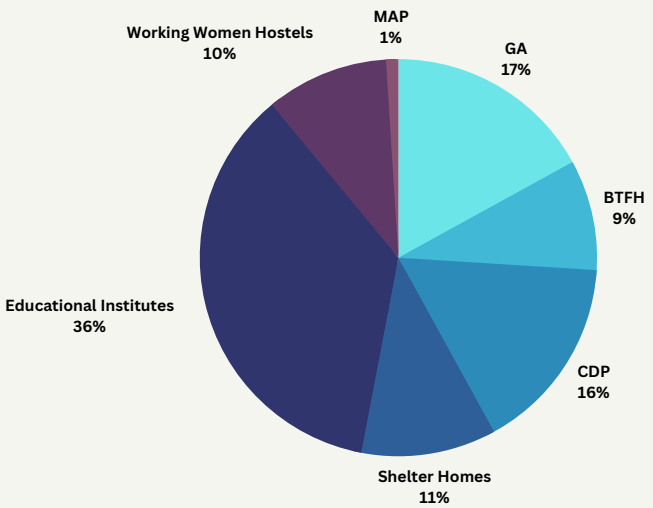

This year can be characterised by the gradual emergence from the global health crisis caused by the Pandemic. We were able to respond appropriately and ensure the resumption of activities. After the pandemic, YWCA of Delhi has drifted and it's now moving ahead to make its significant mark for managing staff welfare. At the same time it is concerned with the welfare, development and human relations of its manpower or human resources. POSH awareness sessions were held in two batches for all the personnel.

The major decisions of the Personnel Committee have been as follows:

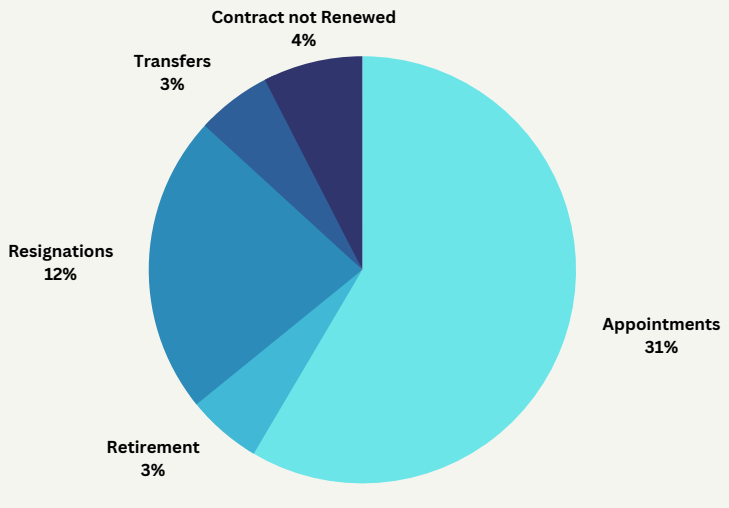

- Implementation of Relocation Policy to be given in the highest position as per the grade scale of YWCA of Delhi.
- Appointment of staff for key positions
- Revival of contractual terms affected during the pandemic
- Resurgence of the leaves as pre pandemic policy.
- Review of Personnel Policy to adopt relevant changes in current policies
- Review of Whistle Blower Policy for employees, volunteers, and other stakeholders to report concerns or unethical behaviour without fear of retaliation.

We would like to extend our heartfelt thanks to the Board of Management and Committee Members for their support. We would also like to thank the entire staff of YWCA of Delhi for their unceasing efforts towards smooth working of the organization.

# Nominating Committee Report

"Whatever you do, work at it with all your heart, as working for the Lord, not for human masters, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving." (Colossians 3:23-24)

On behalf of the Nominating Committee, it is my privilege to place before you the NC Report for the year 2022 - 2023. We are delighted that God Almighty has guided us through the year.

The Nominating Committee had its first meeting on 29th September 2022 to fill up vacant positions on the Board, caused by the resignations of two members due to personal reasons.

Each member was given a copy of the Constitution to study and understand the responsibilities and working of the Nominating Committee.

The Membership Committee handed over the Membership List to the NC consisting of present Electoral Members (170) and Associate members (18). The NC scrutinized and verified the same with the available records. There were 170 Electoral Members of which 51 were new members who have not completed one year as on 30th June 2023, therefore were not eligible to participate in the elections. The final Eligibility list consisted of 119 members, it became 118 after the sad demise of Ms. Mary Hope.

The list of Eligible members was sent to the Electoral Members by Speed Post and Email along with the Nomination Form, eligibility criteria and the list of eligible youth members. The queries received from members were discussed by the committee, clarified and necessary action taken. Members were informed of the existing vacancies and were given the list of continuing members, and were requested to nominate members for the vacant positions. The vacancies for the year 2023 – 2024 were:

- Office Bearers: 6

- Members of the Board: 5 (Two youth members)

- Nominating Committee

i. Chairperson : 1
ii. Member from Board : 1
iii. General Membership ; 4

Ms. Nelopher B. Tallibuddin will be the continuing member of the Nominating Committee for the year 2023 - 2024.

After carefully reviewing the 59 nominations received from the membership, a final list of 30 nominees was prepared, and letters were sent to the nominees to request their written consent and bio-data. 26 of the 30 nominees gave their consent, while the other four either declined or did not reply. The work of creating the final list was quite challenging because a few members who were nominated expressed regret.

# Nominating Committee Report

The post of Assistant Treasurer and Recording Secretary had to be shown as uncontested since there were no eligible Youth members. We need to encourage more youth to join various committees to see the working of the organization.

The list of candidates for Elections 2023 was finalized and letters with the Who's Who' of the Candidates were sent to the membership. As part of the election process, the Nominating Committee selected and invited the tellers to assist in conducting the election. To ensure smooth elections, the duty time for the teller, the Nominating Members and the staff was finalized.

An Online meeting with Nominees took place on 14th September 2023 between 5.00 p.m. to 7.00 p.m. This was held to introduce all the candidates to the entire membership. The Candidates standing for Office Bearer positions were invited to come in person to Y Delhi.

The Election of YWCA of Delhi was conducted on 16th September 2023 from 9.00 a.m. to 5.00 p.m. and had completed the process by 8.00 p.m., with counting and preparing the winners list. The election results were sent to all the members by email. Out of 118 membership, total vote casted was 82 and 6 votes were invalid.

I would like to take this opportunity to thank the General Secretary and the YWCA staff for the excellent support they gave us which made our work much easier.

By the grace of God and His constant guidance we as the Nominating Committee worked in harmony and completed the election process smoothly. We express our sincere thanks to all the members for the trust they have reposed on us in conducting the elections.

We, the members put on records our sincere thanks to Ms. Zarina Bazliel for her guidance as Co-Chairperson of the Committee. I would also like to thank all the tellers who enabled us to carry out the elections smoothly. My special thanks to Ms. Ruby Rajeev for providing us with necessary secretarial assistance in the election process.

Last but not the least I would like to thank my Committee for working as a team, for their cooperation and support extended to me. I thank members of the YWCA for giving me the opportunity to serve the organization as the Nominating Committee Chairperson.

God bless you all.
